## **1. Admissions**

There is no charge for admissions.

## **2. School meals**

There is no charge for boys who are entitled to free school meals. Pupils who are not entitled to free school meals may purchase their food in our Dining Room. Prices are displayed and published on the College website.

## **3. Public examinations**

There is no charge for examinations that are part of the curriculum and on the College's set examinations list, where boys have been prepared for the examinations by the College. However, if the pupil fails without good reason to meet an examination requirement, the school may recover the fee incurred from that pupil's parents.

There is no charge for examinations that are not on the set list, but have been arranged by the school. There **is a charge** of the examination entry fee(s) if the registered pupil has not been prepared for the examination(s) at the College (**see Optional extras under section 5**)

## **4. Activities that take place during school hours (this does not include the break in the middle of the school day)**

There is no charge for activities during school hours with the exception of music tuition (**section 8**).

There is no charge for transport during school hours to school-organised activities eg to the Sports Field, Bidston Tennis centre etc.

### **We may charge for:**

- books and materials that the parent wishes the child to keep (the cost will be made clear to the parents before charge)
- optional extras (section 5)
- music tuition (section 8).

## **5. Activities that take place outside of school hours (non-residential)**

There is no charge for activities that take place outside of school hours when they are:

- part of the set curriculum, including sports matches against other schools
- part of the syllabus for a public examination that the pupil is being prepared for by the school
- part of the school's basic curriculum for religious education.

### **Optional extras**

The College will charge for optional extras. Optional extras are:

- education provided outside of school time that is not:
  - a) part of the National Curriculum
  - b) part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school
  - c) part of religious education

- examination entry fee(s) if the registered pupil has not been prepared for the examination(s) at the school
- transport that is not taking the pupil to school or to other premises where the local authority or governing body has arranged for the pupil to be provided with education.
- board and lodging for a pupil on a residential visit.
- Enrichment activities such as Rugby tours, Ski trips, Exchange visits, Language trips.
- to charge pupils' travel expenses for work experience and to refund excess costs over normal daily travel;

### **We will ask parents:**

- of pupils who do practical subjects, such as Design Technology or Art, to provide their own materials for the finished products which they will take home; or to provide food ingredients or the cost of those ingredients for Food Technology lessons, except for FSM students.
- to make a voluntary contribution towards the cost of an Art sketchpad. Pupils may need to purchase paint, pencils etc for use at home. Those unable to do this can use Art Club facilities to complete homework in school and use the College's Art materials. Pupil premium monies will be used to meet this cost for students on FSM.
- to purchase a calculator for use in Maths lessons. This calculator remains their property and financial assistance is available for anyone whose parents are unable to purchase this item. Pupil premium monies will be used to meet this cost for students on FSM.
- to pay the entry fee for examination of any pupil who, in the Headmaster's judgement, has not prepared himself adequately by effort or study, or of any pupil who, without adequate reason, does not sit an examination for which he has been entered. A charge will be made for resits; Pupil premium monies will be used to meet this cost for students on FSM.
- to ensure to reimburse the profits from any confectionary/drink selling in the College, which their son has been involved in, which is not part of a College fund raising activity and which has not received the permission of the Headmaster or a member of the SLT. This money will be donated to a College charity eg West Africa Mission.

### **The cost of optional extras**

The Headmaster will decide when it is necessary to charge for optional activities, and the levels of charge will be set annually by the Headmaster on the recommendation of the Finance Committee. Parents will be advised of the charges as applicable.

Any charge made in respect of individual pupils will not exceed the actual cost of providing the optional extra activity, divided equally by the number of pupils participating. In no circumstances will there be an element of subsidy required for any pupils wishing to participate in the activity whose parents are unwilling or unable to pay the full charge (**section 12**).

When calculating the cost of optional extras an amount may be included in relation to:

- any materials, books, instruments or equipment provided in connection with the optional extra
- non-teaching staff
- teaching staff engaged under contracts for services purely to provide an optional extra, including supply teachers engaged specifically to provide the optional extra
- the cost, or a proportion of the costs, for teaching staff employed to provide tuition in playing a musical instrument, where the tuition is an optional extra.

Participation in any optional extra activity will be on the basis of parental choice and a willingness to pay the charges. The school will need to have the agreement of parents before organising the provision of an optional extra where charges will be made.

## **6. Activities that take place partly during school hours either on or off site**

Where the majority of a non-residential activity takes place during school hours the charging of the activity will be the same as is outlined in **section 4**.

Travelling time is included in time spent on activity.

In cases where the majority of a non-residential activity takes place outside of school hours the charge cannot include the cost of alternative provision for those pupils who do not wish to participate.

So no charge can be made for supply teachers to cover for those teachers who are absent from school accompanying pupils on a visit. In this case the charging of the activity will be the same as is outlined in **section 5**.

## **7. Residential activities**

### **We will not charge for:**

- education provided on any visit that takes place during school hours
- education provided on any visit that takes place outside school hours if it is part of the National Curriculum, or part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school, or part of religious education
- supply teachers to cover for those teachers who are absent from school accompanying pupils on a residential visit
- travel costs where the residential activity is classed as being within school hours
- residential activities that take place during school hours.

### **We will charge for:**

#### **Board and lodging**

When any visit has been organised by the school where there may be a cost for board and lodging, parents will be informed of this before the visit takes place. We will charge anything up to the full cost of board and lodging on residential visits, whether it is classified as taking place during school hours or not. The charge will not exceed the actual cost. **Parents who can prove they are in receipt of certain benefits may be exempt from paying this cost** (see **section 11** for more guidance on remissions).

#### **Travel**

Travel charges may apply when the residential activity takes place outside of school hours. The amount charged will be calculated to cover the unit cost per pupil. These charges may not apply to those pupils entitled to remissions, but no other pupils will be charged extra to cover those costs.

#### **Activities**

The school may charge for residential activities that fall **outside** of school hours (**see section 5**).

## **8. Music tuition within school hours**

St Anselm's College follows government legislation that states that all education provided during school hours must be free; however, music lessons are an exception to this rule.

**Charges will be made** if the teaching is **not** an essential part of either the National Curriculum or a public examination syllabus being followed by the pupil(s), or the first access to the Key Stage 2 Instrumental and Vocal Tuition Programme (Wider Opportunities).

The school may charge for teaching requested by parents and delivered by specialist tutors given to either an individual pupil or groups of any appropriate size (provided that the size of the group is based on sound pedagogical principles) to play a musical instrument or to sing. The cost of these lessons may depend on the size and duration of the class as well as the type of instrument.

**The school will not charge** if the music tuition is part of the National Curriculum or public examination syllabus being followed by the student.

St Anselm's College is dedicated to ensuring equal opportunities for all pupils including access to specialised music tuition, therefore charges made for music tuition within school hours will be remitted for pupils on free school meals, if they wish to avail of it.

There is no charge for instrumental tuition for children in care. This includes instruments, music books and exam fees.

## **9. Extended services**

St Anselm's College is dedicated to providing a well-rounded and extensive education for our students which includes a wide range of extra-curricular activities (extended services). Extended services enable our school to provide:

- high-quality learning opportunities
- ways of intervening early when pupils are at risk of poor outcomes, e.g. by providing access to study support, parenting support or to more specialist services (such as health, social care or special educational needs services)
- ways of increasing pupil engagement
- ways of improving outcomes and narrowing gaps in outcomes between different groups of pupils.

A charge is made for our transition summer school for pupils who do not receive PP funding. There is no charge for Homework Club.

The total charge will not exceed the cost of providing the activity and no parent will be asked to subsidise others.

## **10. Damage to property and breakages**

Where College property has been wilfully damaged by a student or parent the College may charge those responsible for some or all of the cost of repair or replacement.

Where property belonging to a third party has been damaged by a pupil, and the College has been charged, we may charge some or all of the cost to those responsible.

Whether or not these charges will be made will be decided by the Headmaster and dependent on the situation.

### **11. Remissions and concessions**

The College will give consideration to the remission of charges to parents or carers who receive the following support payments:

- Income Support
- Income based Job-seekers Allowance
- Child Tax Credit (where the person is not receiving Working Tax Credit as well)
- Support under part VI of the Immigration and Asylum Act 1999
- Guaranteed Element of State Pension Credit
- Income related employment and support allowance

Children of families who receive these payments are also entitled to free school meals. Parents who are eligible for the remission of charges will be dealt with confidentially.

The Headmaster and Chair of Governors will authorise the remission of charges.

The school may choose to subsidise part or all of the payment of some charges for certain activities and pupils, and this will be determined by the Governing Body and Headmaster.

### **12. Voluntary contributions**

The Governing Body may ask for voluntary contributions to the College for general funds and/or to fund activities that will enrich our pupils' education.

In any case where an activity cannot be afforded without voluntary funding, this will be made clear to the parents by the school. If the activity is cancelled all monies paid will be returned to parents.

There is no obligation for a parent or carer to make any contribution and the school will in no way pressure parents to make a contribution.

### **13. Inability or unwillingness to pay**

St Anselm's College is committed to ensuring fair access and treatment of all pupils, and this means ensuring that no child is excluded from an activity because the parents or carers of that child are unwilling or unable to pay. If there is insufficient funding for an activity, then it will be cancelled.

The identity of the child or parents of the child who did not want to make the payment, or could not make the payment, will not be disclosed under any circumstances.
