

# St. Anselm's College 'Catch-up Premium'

## What is the 'Catch-up Pupil Premium'?

The literacy and numeracy catch-up premium gives schools additional funding to support year 7 students who did not achieve the expected standard (a scaled score of 100) in reading and or/maths at the end of key stage 2. At St. Anselm's College we use this funding for a range of in class and extra circular activities in literacy and numeracy. This academic year 2019-20 thirteen students have been identified as 'Non Secondary Ready' in reading and one student has been identified as 'Non Secondary Ready' in Maths.

## Catch-Up Cohorts

Year	Students Eligible for 'Catch-up'	Estimated Funding
2017-18	2	£1,000
2018-19	9	£4,500
2019-20	14	£7,000

## 'Catch-up Pupil Premium Funding at St. Anselm's:

Our aim is to secure success for all by providing quality first teaching and learning. At St. Anselm's College we use a range of student information from transition meetings to baseline assessments, from student voice to identifying key barriers to learning, to ensure we know each and every one of our student's areas for development. This information is then used to create a strategic Pupil Premium Development Plan which is monitored, reviewed and evaluated at key points throughout the year. Impact is measured using both quantitative and qualitative data. The Pupil Premium funding is spent on interventions based on educational research from the EEF toolkit.

## How we spent our 'Catch-up' Funding 2018-19:

A range of interventions were put in place to support those students who were not yet 'Secondary Ready'.
