Students must bring revision materials to each exam. Stationery must be brought in a clear pencil case/bag. Mobiles must be switched off throughout all exams.

Notes

Computer Science and Music Assessments will be in a digital format and completed in lessons.

Language Listening Examinations (30 mins) will be completed in lessons prior to exams.

Revision

All revision materials will be posted on 'Satchel:one'.

It is worth investing time to create a revision timetable.

A well-organised revision timetable will help you prepare effectively for your examinations. Revision becomes much more manageable if you can see it mapped out ahead in a logical way.

There will be some revision time available before each exam (determined by the length of the exam).
