*Whether you're aiming to sharpen your skills, explore new interests, or get a head start on your career journey, you'll find something here to suit you. Dive in, get involved, and take full advantage of all that's available!*

## Year 12 Work Experience – 14<sup>th</sup> to 18<sup>th</sup> July

If you haven't sorted your work experience placement yet, this needs to be a priority. Please check the links below for help in finding one. We can't stress enough how important this is for your future career pathway—whether you're aiming for university, an apprenticeship, or employment.

If you are not on a work experience placement, you are expected to be in college as normal.

## Choices Magazine – July Parent & Carers Guide

Choices magazine is the ultimate parent and carer guide to apprenticeships and technical education!

July's edition features Keely, a former dental apprentice, insights from Specsavers on their apprenticeship programme, opportunities with Volkswagen, changes to apprenticeships, and top tips for using summer to get ahead. We also highlight updates to post-GCSE qualifications, a quick guide to T Levels and advice for exam results days. Check out five ways to support your child's decisions and help shape future resources by sharing your views on the British Army.

# Become an expert by learning from one

KPMG Business Services  
Apprenticeships 2024

On the KPMG Apprentice Experience, students will have the opportunity to step into the shoes of an apprentice and explore our business areas in **Audit** and **Tax & Law** to discover what it's really like to work here.

Taking part in a series of challenges built to test their skills, they'll learn more about their day-to-day life, why they chose their programme and the skills they've learnt to get them where they are today, all while earning £23,000 - £25,000 salary depending on their location.

Discover a world of opportunities on an **Apprenticeship programme** at

**UPCOMING TALKS**

Here is the [upcoming live broadcasts schedule](#). Live broadcasts are a great way for students to hear directly from leading figures from a range of industries, and have the opportunity to ask questions via a moderated Q&A. Please feel free to share with your staff and students! Please note that you have to register your students in advance.

**UPCOMING TALKS**

Thursday 03rd July 02:00 pm - 02:45 pm

11 - 19

**Making Matters: Design with Craft & Creativity**

Discover how imagination meets craftsmanship in this exciting talk with Martino Gamper OBE, one of the UK's most celebrated furniture designers. 🪵 From turning everyday objects into works of art to creating pieces that tell a story, Martino shows how design isn't just about what something looks like—it's about how it makes you feel. If you're curious about design, love making things with your hands, or want to explore creative careers, this session is for you!
